Dear Sir:

Please grant us a permit to deliver the last of adjusting dealer which we have plated, as per Enclosed bill. We have made two efforts at delivery by tasting the goods with enclosed bill to the Mint and offering them to some person in charge, who for some reason unknown to us will not receive them or taste sufficient enough in the matter to call for such persons as may know that they are the property of the Mint of the United States at Philada,

Any relief or instructions you may grant us will be thankfully received by
